The Invitation to the 6th International Taijiquan Exchange Competition, Jiaozuo, China in 2011

Why people practice Taiji Quan in western countries

- People are experimenting so many changes in their lives
- The speed of these changes is increasing
- Therefore, it creates stress which sometimes becomes sickness.

2011年第六届中国·焦作国际太极拳交流大赛

The Invitation to the 6th International Taijiquan Exchange Competition, Jiaozuo, China in 2011

People's expectations and goals

- Stressful people, new agers and seniors
- Young people who saw a lot of martial arts movies
- A few others who want to improve their mind, body and soul

The Invitation to the 6th International Taijiquan Exchange Competition, Jiaozuo, China in 2011

Legal issues

- in some western countries taiji quan's sifus should have an insurance for them and their students, so they have to be affiliated to an sport federation
- For example at the moment in Spain, if you want to teach taiji quan you have to be part of an association with an sport section (could be also an sport club), and then be federated with the karate or yudo federations

Double fan, Barcelona, Spain
